

# Hear Me Knocking (Steve Apirana)

E A

Can you hear me knocking

A E

Man I'm knocking at your door

A

Can you hear me knocking

E

Man I'm knocking at your door

B

You won't even stop to see

A E B

What it is I'm knocking for

You can hear me knocking

But you won't let me in x2

You're too scared to see me

'Cause your life is full of sin

E

I ain't no big bad wolf

Trying to strut my stuff

Trying to show you I'm cool

Trying to show you I'm tough

Aint gonna climb down your chimney

Anint gonna huff and puff

Just gonna keep on knocking

till you've had enough

You can hear me knocking

Come on and open up the door x2

You goona find out what it is

What it is I'm knocking for
