Its inevitable that when you wake in the

Dm/G C C/G

Morning the sun will be shining,

A A/E

Unless it's raining.

Dm/C Dm/B Dm/G

Inevitable that if a song has no music or

C C/G A A/E

Words then it won't be so entertaining.

Dm Dm/C Dm/B

Inevitable that if you take everything that

C

Belongs to your brother

A A/E

He'll be complaining

Dm Dm/C Dm/B Dm/G

Inevitable that if you bang very hard on your

C C/G A A/E

Nose with a hammer there'll be some pain

Bb Bb/A Bb/G Bb/F  
Now I'm not the kind always pointing with the finger

A A/G A/F A/E  
At the way things are quite often left to linger

Bb Bb/A Bb/G Bb/F A  
And all of the deeds one was going to do get left undone

Bb Bb/A Bb/G Bb/F  
But I want to say that the time's drawing nearer when the

A A/G A/F A/E  
Right thing to be is a doer not a hearer

Bb Bb/A Bb/G Bb/F A A6  
Cause there'll be a day when you won't even be around

Dm Dm/C Dm/B Dm/G  
Its inevitable

C C/G A A/E  
Its inevitable its gonna happen

Its inevitable

C C/G A A/E A6  
It's inevitable that's for certain

Its inevitable that at the end of the show there's  
Always gonna be that final curtain  
It inevitable that when the door shuts behind you  
There's no turning back for a little more flirting  
Its inevitable that if you find you're in heaven well it  
Won't be because you were just lucky  
Inevitable that if you find you're in hell you're gonna  
Feel like a chicken in Kentucky  
I don't wanna come across all super spiritual  
But then again I don't wanna be irresponsible  
But one day you're gonna die  
'Cause that's what happens when your life comes to an end  
Then comes the judgment to decide where you're  
Gonna spend eternity eeeeeeeee
