

Take a Picture

INTRO: Fmaj7 Dm Esus E

Am

Take a picture a little photograph

Dm

Of this moment, in every colour

G

Hide it safely in a corner

C E

Far from danger theft or ruin

Am

For it may be just one more memory

Dm

But they often last much longer

G

Than the instant hopes eternal

C E

Now it seems like lost forever

Am Dm

Another minute passing by us to forget

G C

Another blinking of an eye, a single breath

Fmaj7

A clumsy drop and scatter

Dm

A waive it doesn't matter

E

More debris floating out to sea

Am

Look around you those closest to you won't

Dm

Always be there, choosing their own

G

Destinations do not follow

C

E

Now you see me, now just a shadow

Am

Dm

Another minute passing by us to forget

G

C

Another blinking of an eye, a single breath

Fmaj7

A clumsy drop and scatter

Dm

A waive it doesn't matter

E

More debris floating out to sea.

Instrumental: 1 x double verse
