

The Good Remembers

INTRO: E

A

She is wake up sad today, She is not good feel today

F

All the happy every moment out the window fly away

A

She is hard look everywhere, She is find not anywhere

F

She is one time she is two time over here, over there

Well she be never

Though the thunder dance around, though the rain is tumble down

Though the fire ring the roses, she is not be all fall down

Whispers many yesterday, life be also stone and clay

Long for journey special helper, Spirit one is send her way

The good remembers, The good remembers

Am / E7

The fight the need be them victory won

She is not good feel today. She is find not anywhere

Not what eye see not what touch be. Make a difference anyway

While together sun and hay, gather only for today

Answer always ever time still make provide her every day

The good remembers
